Alexander Chavez's ROI with this horse (+52% ROI) automatically make them a solid contender. Tough to play this animal after the disappointing stretch run in the last affair. Hard to gamble on these non-winning types on the win end.

Tread lightly - try just wasn't nearly good enough last race. May have to skip this one - conditioner hasn't had the best of luck of late. The stretch display in the last event leaves much unanswered.

Tina Casalinova hasn't been getting victories when putting Noel Vigil on a horse. Tough to play this gelding today - handler on a down cycle within the recent past. Don't see him as a sure thing after that last contest.

Give this gelding a shot - ran a solid race last race out within a month. Hard to play any animal that cannot even score one time in his last ten races. Joshua Langley has not gotten the best out of this gelding (16 starts, 6% wins).

The jockey and conditioner duo have a positive ROI when they join forces. This questionable contender didn't finish near the front of the field in the last race. Tough to play this equine with this conditioner's lack of recent success.

Joe Pizzurro hasn't been getting wins when putting Luciano Hernandez in the saddle. Not making a bet on this horse after the last attempt. Trainer hasn't had the top win percentage recently - have to give a pass.

Good power rating - likely odds underestimate this filly's chances - strong price potential. This filly's jockey hasn't been getting many victories these days. Didn't finish near the front of the field last race - might have to expect more of the same.

Have to place a wager on her if she goes off at good odds with such a strong power rating. Strong effort by this filly last time around the track.

Last win was a laugher. Her trainer has done sharply with horses moving up the class ladder (36 starts, 22% wins, +58% ROI). Nice race last time, but the fact that there are no workouts since has to make one leery.
