Aqueduct - 11/08/2024

Top 3 Selections ranks horses by the level of their overall past performance and by the estimated probability of repeating their most recent race. An asterisk (*) next to the program number identifies the top pick. The **Speed** picks are based solely on recent Speed Ratings of each horse. The **Class** picks are the horses that have run the best against the highest quality of competition. The **Pace** rankings predict today's likely front runners based on first call Pace Ratings of each horse. **3 STAR BEST BETS** offer the highest percentage plays available. A **3 STAR BEST BET** may not be found on every day.
