⚠Tread lightly with this horse - connections have been not in sync when teaming up. ⚠Last affair doesn't encourage much faith. ⚠Josue Maldonado has solid numbers with this gelding that point to a very strong contender.

Really believe this horse is going to be right there near the finish line. Lanny Keith hasn't been victorious when putting Leonardo Rodriguez on a horse. Jockey's recent numbers with this gelding (11 starts, 9% wins) need improvement.

⚠️ This filly should give a good account of herself in today's clash. ⚠️ Jockey and trainer haven't had much recent success together. ⚠️ Didn't finish near the front of the field last event - might have to expect more of the same.

Undeniably see favorable signs for this steed right here. Didn't finish near the top of the field last event - might have to expect the same. Hasn't scored a victory recently - not worth it on this equine today.

Live long shot - the general public may miss out on this one, ranked well on power rating. Jr Phillip Calais has not done well of late with freshened horses (9% wins). Last race doesn't bolster much confidence.

No substitute for maturity gained - watch for an improved performance in the second outing. Tough to play this filly today - conditioner on a down cycle lately. Last race was nice, but the lack of any recent activity raises some concerns.

Shouldn't overlook this one as the trainer is very good in moving horses up in class (28 starts, 25% wins). Sire's 2yo offspring have not shown good dividends (519 starts, 9% wins, -49% ROI). Handler has had difficulty winning races these days.

This horse really isn't bred to win first time out. In recent times, this jockey has not shown good profits (-23% ROI) with 1st time entries (47 starts, 9% wins, -23% ROI). Have to be leery with mounts trained by Lanny Keith right now - on a chilly streak.

With a race under her belt, expect an improved performance. Last out this magnificent animal put forth a fine performance. Jose Carrizales isn't on the best of streaks as of late.
