SCRATCH WATCH

Listed below are all horses entered on today's card who have scratched one or more times, within the past 45 days, since their last race. The following definitions are used for the REASON a horse was scratch: OFF THE TURF-Race scheduled for the turf course was switched to the main dirt track. TRAINER-Any scratch made by the trainer (after program #'s have been assigned), including scratches for weather, medical, stakes, entered back the next racing day, conditional entries (i.e. main track only for a turf race in case the race is switched to the dirt track.) VETERINARIAN-A horse scratched by the track veterinarian for unspecified reasons, but possibly: injury, sick or unsound. RV-INJURED-A horse scratched by the regulatory veterinarian due to an injury. PV-INJURED-A horse scratched by the connections' private veterinarian for an injury. RV-UN SOUND- A horse determined to be unsound to race by the regulatory veterinarian and therefore scratched. PV-ILLNESS-A horse scratched by the connections' private veterinarian for illness. STEWARD-Any number of administrative reasons why a horse is not allowed to run, including any horse identification or medication problems. MTO - Main Track Only. EARLY- Any scratch that is made before program numbers are assigned for the race. No specific reason is provided for these early scratches. Most commonly these scratches are made by the trainer but it could be for any number of other reasons.
