The top three horses in Power, Speed, Class and Pace are listed in ranked order within each race. A 4-Star Special Play is one where a horse ranks first in all four categories. Such plays may be found only periodically and will be clearly noted when found. A  symbol next to the morning line indicates a historically profitable combination of power rating margin (between the two top highest rated) horses and the post time odds (estimated by morning line odds). A '\$' symbol next to the morning line odds indicates a historically profitable play if the indicted horse goes off at odds of 8 to 1 or greater. The top power rated horse (and ties) are indicated in each race with a white program number on a black field.
