# Betting Basics

Some essentials to get you started with making a wager.

## 1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

### To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

**Hello, (Racetrack), race 6, \$2 to WIN on Horse #4**

### How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green “**Make BET**” button
- 9 Press/Tap the “**Finish with Receipt**” button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

## 2 Types of bets

### Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

### Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

\* Exotic bets require the horses to finish in the EXACT order you select, unless you “BOX” the bet, in which case your selections can finish in any order.

## 4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

### Morning line odds

Odds listed in the race program are the “morning line” odds. These are predictions of how the public will bet on the race. They are set by the track’s handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

### Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

### Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

### 3 Tips to remember

**WIN BETS** on the FAVOURITE pay 32% of the time  
**PLACE BETS** on the FAVOURITE pay 53% of the time  
**SHOW BETS** on the FAVOURITE pay 67% of the time

\* Numbers listed above are approximate, may vary by racetrack.

## MISTER MAGIC Trainer Change: Robert Kyle Fellows to Thomas G Riley

Woodbine Entertainment and its' employees are honoured to engage in the sport of horse racing and entertainment activities in the meeting place of Etobicoke. Woodbine Racetrack is located within the traditional and treaty Lands of the Mississaugas of the Credit. Known as Adoobiigok, the "Place of the Alders" in Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario Lakeshore and Lake Simcoe/Georgian Bay regions. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Woodbine is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly.

#### Race 1 Selections

#### THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

**#9 COLLECTOR S** blew up as the 8/5 favorite last week when he made a break in stride just after the start and put himself in a deep hole before improving to seventh before the finish. He nearly got within five lengths of the winner Esplosione and took that support after he came from way off the pace to claim the show spot at 38-1 on November 4th. This son of Face Time Bourbon has picked up a prize in three of his last five and will have leading driver James MacDonald aboard for a follow-up steer. They teamed up for a victory last February and he can make his way back to victory lane if he minds his manners.

**#8 LIKE CHAOS** moved to the front from the pocket on the spin for home on November 1st and held a wide margin over his rivals entering the lane before fading back to fifth under the wire. He went a similar journey the week prior when he had to settle for third as the 9/5 race-favorite but is just two starts removed from a strong victory at Flamboro Downs on October 20th in NW1500L3. This 13-time winner should appreciate sliding in a couple of spots on the gate to post-eight and will likely take flight off the switch. He fits in nicely with this group and figures to be prominent throughout.

**#5 DERF HANOVER** earned a minor award against tougher competition on November 4th when he finished fifth in a dash that was topped by Patriarch Hanover. He has finished in that position in each of his last two but rounded out the trifecta at 5-1 three starts ago when he had to work from the dreaded 10-hole. This 33-time winner was within a couple of lengths of the late-closing Wastingnotime on that occasion and will likely go back to getting forwardly placed when shifting out to the center of the gate. He can be more than competitive against this group with anything close to his best and can land somewhere on the ticket.

**#4 MISTER MAGIC** jumped it off in each of his last two and has since qualified successfully on November 8th when he was third to Talk Show Host in 2:02.1. He has not raced in more than a month and walked away empty-handed in all of his last four but hit the board in five straight before that, while lighting the lamp in three of those outings. This 36-time winner will be making his first start for trainer Tom Riley and gets reunited with a familiar face in Jonathan Drury. He has rebounded in a big way in situations like before and can never be ruled out.

### Race 2 Selections

### THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

**#4 MIKKI SIXX** returned to her winning ways last week when she went most of the way on the engine from post-eight to score by half a length in 1:52.4. She returned 2-1 to her backers after she disappointed as the even-money favorite when racing off the shelf on November 1st and had to settle for a lesser share after she was stacked-up on cover in the third-over position on the bend for home. This daughter of Always B Miki is now five-for-six in her career and slides down to a favorable spot on the gate with post-four in her third start back off the layoff. She figures to attract a lot of support at the windows and looks like a prime candidate to double-up.

**#1 BETTERWITHGLASSES** has earned a minor award in each of her last two after getting forwardly placed in both of those appearances and managed to complete the superfecta at 28-1 on November 1st. She will be making her second consecutive try on a regular rotation after she missed more than a month of action following a vet scratch due to sickness on October 5th and is the only one in the contest that is not moving up in classification. This daughter of Betterthancheddar has hit the board in nine of her 25 attempts as a sophomore and will likely be pushing out for early position with rail control. She can be in the mix throughout and is our main player underneath.

**#5 ALLSMOKEANDMIRRORS** got within half a length of our top selection last week and did not find room along the inside of that rival until just before the wire. She has been the runner-up in each of her last two and has not been worse than fourth in her four tries at this level since getting claimed by conditioner Carmen Auciello on October 10th. This other daughter of Betterthancheddar has hit the board in six of her last seven overall and will once again have Brett MacDonald giving the commands when working from the center of the gate. She has been knocking at the door on the big track and cannot be left out of the exotics.

**#6 ALWAYS B MERRY** was victorious in this class on November 1st and won by nearly two lengths in 1:52.1 at odds of 6-1. She has hit the board in four of her last six and has only missed one cheque in her 23 career attempts. This other daughter of Always B Miki has missed a week between outings but should be confident coming into this. She will once again start from the winningest post at Mohawk Park and can pick up a decent chunk.

## Race 3 Selections

## THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

**#4 OH A LEGEND** has spent each of her last two in the class above this and raced from a long way off the pace before earning a minor award in both of those efforts. She finished fifth to Mikki Sixx in her latest after being more than 12 lengths off the lead at the quarter pole and paced her back-half in 53.4 with a final panel in 26.2. This daughter of Bit Of A Legend now drops back down to the level where she delivered at 40 cents to the dollar on October 18th and should appreciate sliding down five spots on the gate to post-four. She has been getting along well with driver Tyler Borth and gets top billing.

**#6 ROSE COLORGLASSES** was moving well at the end of her mile last week when she got within three quarters of a length of winner Cold Creek Espero and rounded out the exacta at odds of 4-1. She blasted home in 27.1 on the heels of a back-half in 55.2 and was in need of a flat line after making miscues in each of her previous two. This daughter of Freaky Feet Pete will have Billy Davis Jr back between the wheels and will get another chance from the best starting spot on the circuit. She has not been a model of consistency but has the gears to go with these if she can build off her most recent performance.

**#7 DIRTY DIANA** exits the same race as the one above and disappointed as the odds-on choice of the betting public in that dash. She was passed from behind by that rival in deep stretch after being spotted in the second-over position but was only a length away from victory when coming in third under the wire. This daughter of Captain Crunch had not raced in more than two months prior to that and took on Grand Circuit rivals in her previous two after being a winner at first asking in early August. She can benefit from getting back on a regular schedule and is among the main chances.

**#5 MILLIES SPIRIT** faded back to last in a field of five in a preliminary round of the Harvest Series in her latest and tracked the winner Resilience from the pocket for most of that mile. She was more than six lengths in arrears to that foe at the finish and now transitions back to the class where was fourth in her return to the circuit on November 1st. This daughter of McWicked will be making her first start under the care of conditioner Meg Crone and will have Doug McNair calling the shots this time around. She is worth utilizing on the bottom end of the trifecta and super.

## Race 4 Selections

## THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

**#9 ANGOSTURA HANOVER** has gone up against F&M-Preferred rivals in each of her last four and completed the superfecta in fourth in all of those outings at 11-1 or higher. She should appreciate dropping down to the condition ranks in her fourth start back after a hiatus of more than two months and has gotten her picture taken on two occasions in this class in 2024. This 11-time winner has hit the board in 28 of her 44 career attempts and will have Trevor Henry back between the wheels for tonight's tilt. She has not raced in nearly a month after being a vet scratch due to sickness on November 2nd but still gets our top honors.

**#4 LYONS BETTORDAY** produced a solid effort to be fifth in the class above this last week when she returned to Mohawk Park after spending all of her previous 17 tries this season south of the border. She got shuffled back to eighth on the far turn and was moving well in deep stretch when she fired home in 26.2 off a back-half in 54.2. This daughter of Bettors Delight will be making her second start back in the barn of trainer Tony Beaton and was Louis-Philippe Roy's choice over the one below. She can benefit from getting back on a regular rotation and looms as a major danger.

**#8 ALABAMA HANNAH** was determined in victory on November 2nd at his level and went most of the way on the engine before holding off Style For A Mile by a nose at the finish. She has hit the board in five straight when competing in the condition ranks and only gets to come back in this class because she has been offered up for the optional price tag of \$70,000. This 11-time winner will be reunited with Anthony Haughan in the sulky and has enough early foot to overcome a tricky draw with post-eight. She can make her presence felt if she can make her way into the race and should not be taken lightly.

**#3 STONEBRIDGE HALO** has won two in a row in NW3 and returned 2-1 or higher in both of those victories. She most recently forged her way to the lead in the lane from the first-over position and stopped the clock in 1:51.2. This daughter of Captain Crunch has been fourth or better in her last four since moving to the care of conditioner Anthony Montini and is a perfect two-for-two since top teamster James MacDonald took over the driving duties. She gets a favorable draw with post-three when making the transition to NW18000L5 and should be brimming with confidence.

### Race 5 Selections

### THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

**#4 GRAMBLING HALL** was unable to get his desired trip when he got away seventh off the gate from post-10 last week and was third-over on the spin for home before having to settle for sixth at 8-1. He blew up the tote board six nights earlier at 23-1 after he got situated in the two-hole from post-six in the early going and gets back down to a favorable spot on the gate for tonight's tilt. This son of Muscle Mass does his best work when he is put into play off the switch and is just four starts removed from taking down an OSS Grassroots Championship event on September 28th. He is a threat to take this field gate-to-wire and we are on his bandwagon this time out.

**#7 SATURDAY** was scratched out of a scheduled start against OSS Grassroots rivals on Halloween and has not raced in more than three weeks coming into this. He has been second or better in 14 of his 16 career attempts and will now be making his third start out of the barn of trainer Dave Menary. This other son of Muscle Mass will once again have leading driver James MacDonald at the reins and will shift out to post-seven. He might pick up right where he left off and looks threatening.

**#3 HUNGRY HILL** was unable to get to the one above from the two-hole on October 24th and had to settle for the place spot as the 8/5 favorite. He found redemption as the choice of the betting public one week later at a slightly shorter price and has not been worse than second in any of his last three. This son of Kadabra has 10 top-two finishes from 18 lifetime tries and will likely be in the mix throughout from post-three. He continues to get along well with driver Tyler Jones and figures to get every chance to land somewhere on the ticket.

**#1 TYRONE BOW TIE** picked up a smaller share by finishing fifth in the class above this on November 4th and has not missed a cheque in any of his last six overall. He enjoyed back-to-back victories at Flamboro Downs in October and has hit the board in 12 of his 25 career attempts. This son of Lookslikeachpndale should appreciate dropping down a level this evening and might be able to work out a cozy trip from the pole position. He can pick up another piece and might be able to add some value to the bottom end of the exotics.

### Race 6 Selections

### THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

**#6 IMA DOLL** did not have much of a chance last week in NW8900L5 when she was taken back to ninth off the gate from post-nine but made up ground in the stretch when nearly getting within a trio of lengths of the winner Ms Quick Sand. She blasted home in 26.2 off a back-half in 54.1 and had won two in a row at The Raceway in London before that. This daughter of Control The Moment had hit the board in four straight on the B-tracks before returning to the big track and should appreciate dropping down a notch on the class ladder for tonight's tilt. She will be reunited with driver Bob McClure and will have the luxury of leaving from post-six. Giving her a try on top and hoping for value.

**#1 GOUDAWON** disappointed as the 6/5 favorite in NW3501L3 at Flamboro Downs on November 7th and was unable to issue a challenge to pacesetter Major League N after making a first-over bid from third. She likely needed that start after missing more than nearly five months of action and will now get back on the larger track configuration of Mohawk Park while racing on a regular rotation. This 15-time winner was taking on much tougher rivals in NW16600L5 at this venue in the summer before going on the shelf and will be reunited with J-Mac when dropping down to NW4000L5. They have teamed-up for a top-two finish in each of the three times they have been paired together and she looms as a logical danger.

**#4 CHIEFS DREAM GIRL** made a stern first-over challenge on November 1st in the class above this and paced her own middle-half in 55 seconds flat before fading back to sixth under the wire. She came from a long way off the pace to secure a smaller share in fifth the week before and will now drop down to the level where she went a long way on the lead on October 19th. This 15-time winner had to settle for second as the even-money favorite on that occasion but fits in nicely with this group and will have Phil Hudon aboard for the third straight start. She has shown she can be versatile in her racing style and should not be dismissed.

**#5 LADYTERRA** has been sixth in her last two in NW3 and earned a minor award in fifth before that when she raced off the bench following a hiatus of more than five months. She transitions to NW4000L5 while getting Lasix for the second time in her career and got the nod from Tyler Borth over our top selection. This daughter of Sweet Lou can take a step forward in this spot and will once again work from the center of the gate with post-five. She should not be taken lightly and the odds board might best help gauge her chances.

## Race 7 Selections

## THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

**#7 RESILIENCE** made a triumphant return to the races in the opening round of this series last week and scored by open lengths on the front-end when she delivered at 45 cents to the dollar. She stopped the clock in 1:53.3 and had not raced in more than a month after being a vet scratch due to sickness on October 11th. This daughter of Jimmy Freight has won six of her 15 lifetime tries and has nearly \$180,000 in career earnings. She can take another step forward when getting back on a regular schedule and has our call to repeat.

**#3 DEFINING THE MOMENT** made every call a winning one in her latest and held on by a neck as the 1/5 favorite after getting things her own way on the engine. She has not been worse than second in her last five and has gotten her picture taken in four of her last seven overall. This daughter of Control The Moment has won two of her last three when J-Mac is at the controls and he opted for her over the one below. She might end up being the pocket-sitter to the one above and is our main player underneath.

**#1 LANESIDE INCONTROL** made a break in stride behind the gate and spotted her rivals four lengths at the start before getting away last in that compact field of five. She angled to the outside in the lane and was able to improve to second before holding off the one below for the place spot at the wire. This other daughter of Control The Moment had not raced in nearly a month going into that effort after being scratched out of a NW2 event on October 25th and has finished second or better in all of her seven career attempts. She will have Trevor Henry calling the shots for the first time and can hit the ticket.

**#9 BIG NIPPER** exits the same race as the one above and got up alongside that rival in the dying strides but had to settle for third at 37-1. She has hit the board in 14 of her last 17 overall and has only missed one cheque over that span. This daughter of All Bets Off lit the lamp at Western Fair in NW25000L on October 29th and should be brave coming into this. She must overcome a difficult draw from post-nine but can pick up a prize if her trip is not too taxing.

## Race 8 Selections

## THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

**#7 PERFECT ANGEL** was leaving hard from post-eight last week but went on the gallop before taking herself out of contention as the second choice in the betting at 9/5. She took that support after she made a triumphant return to this circuit on November 1st and will go back to racing against fellow fillies for tonight's tilt. This daughter of Trixton's two career victories have come out of the barn of trainer Tony Beaton and she can get back to the winner's circle against this group. She might be handled carefully off the gate this time around but still gets the edge on top.

**#6 EXCITING MIA** was just over a length away from the one above when she claimed the show spot on November 1st and has now hit the board in seven straight. She is just two for 30 in her career but has 16 top-three finishes over that span and more than \$66,000 in earnings. This daughter of Muscle Mass has missed a week between outings but will have the advantage of starting from post-six. She was victorious the last time she left from that desirable starting spot and can be right there at the finish.

**#1 GO HAVE FUN** has been the runner-up in each of her last two and was within three quarters of a length of our top choice on November 1st when she completed the exacta at 49-1. She has not missed a cheque in any of her last five since making a miscue on September 10th and will be reunited with driver Bob McClure this evening. This daughter of Kadabra is just one for 26 in her career in the win-column but has managed to hit the board nine times. She might be able to navigate a favorable journey with rail control and should not be left out of the exotics.

**#9 NO ONE** blasted off the wings of the gate to have the early lead from post-10 on November 1st and then released heavy-favorite Billie Jean Queen to the front. She was trapped behind that rival when she shortened stride in the stretch and could not do better than seventh at the finish at nearly 43-1. This daughter of Lookslikeachpndale is just three starts removed from claiming the show spot to Willys Home Run in an OSS Gold affair and will likely once again flash her early foot from an outside draw. She should offer a sizable number on the tote board and has upset potential.

## Race 9 Selections

## THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

**#2 QUICKERTHANTHEYE** was one that we were fond of on October 3rd when he claimed victory in NW1 at odds of 2-1 and trotted his way to a new lifetime mark of 1:59.1. He fired home in 28.3 on the heels of a back-half in 58.2 but followed that up with ninth-place finish at this level at 29-1 two weeks later. This son of Kadabra has been second or better in five of his seven career attempts and will now race out of the barn of trainer Kyle Fellows. He will be reunited with driver Tyler Borth and is worth a whirl on top at what should be a robust price.

**#4 FASHION CONTENDER** has been seventh or worse in each of his last two in NW3 and was sent off at 37-1 or higher in both of those outings. He will now drop back down to the class where he completed a two-race win-streak on October 17th and went most of the way on the lead before winning by open lengths in 1:56.1. This son of Father Patrick is just two for 34 in his career but has 13 on the board finishes and should appreciate getting back down to this spot. He will have Travis Cullen calling the shots for the first time and looks threatening.

**#7 TEMPTATION DEO** was strong in victory last week in NW1 and scored by nearly six lengths when he tripped the timer in 1:57.1. He was the definitive second choice in the betting in that dash after he disappointed as the 7/5 favorite on Halloween and has been second or better in three of his last four since moving to the care of conditioner Julie Walker. This daughter of Propulsion once again gets the nod from leading driver James MacDonald and will likely try to get forwardly placed from the same starting spot she had last time. She is among the top contenders and will likely take support at the windows.

**#5 IDITOROD** is another that steps up to this level after getting their picture taken in NW1 last time out and delivered at 95 cents to the dollar when he stopped the clock in 1:58 flat. He took that support after he came from a long way off the pace to be third in his circuit debut the week before and has now hit the board in four of his last five. This son of Crazy Wow will have Bob McClure aboard for an encore performance and can benefit from sliding back down to the center of the gate with post-five. He can pick up a sizable slice with the right kind of trip.

## Race 10 Selections

## THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

**#2 VOOM VOOM** dropped inside with some late pop in deep stretch last week in NW4000L5 and finished third to Hes Express at odds of 19-1 after getting shuffled back in the middle stages. She was last of 10 the week before that in NW2500L5 and should not mind finding middle ground in this spot. This 11-time winner can benefit from making her second consecutive try on a regular schedule after missing more than a month of action following a vet scratch on October 5th and will work from the inside of the gate with post-two. She can get the better of this group with a reasonable trip and is one of our top plays on the card.

**#5 SILENT CROSSING** exits the same race as the one above and did not have much of a chance in that contest after she got cemented on the cones in the backfield. She improved to fifth before the wire at odds of 9-1 and nearly got within three lengths of Hes Express at the wire. This 15-time winner hit the board in three straight outings in this class prior to that and might get back to getting forwardly placed when working from the center of the gate. She is just two for 31 this season but has 10 top-three finishes over that span and can be in the mix throughout.

**#4 FATED FIRE** sparked an upset at nearly 11-1 at The Raceway in London in NW3000L3 on November 8th and was strong in victory when wearing down the pacesetter from the first-over position. She kicked away in the stretch to win by more than a length in 1:56.3 and has gotten her picture taken in two of her last three on that half-mile oval. This 12-time winner has earned another crack on the big track and should be confident coming into this. She will be reunited with driver Brett MacDonald and should not be taken lightly.

**#1 BETTER BE DONNA N** is another that gets back down to this level after competing in a tougher spot last time out and ended up finishing sixth after briefly having the lead in the first turn. She returned more than 8-1 to her backers in this class two starts ago and has hit the board in three of her last six overall. This 39-time winner will likely push out for early position with rail control and can never be ruled out in this spot. She can be prominent throughout and should be included in all of the exotic wagers.

**BEST BET: #2 VOOM VOOM**

## Race 11 Selections

## THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

**#2 HOW MUCH** tried her luck from off the pace last week after she missed more than a couple of weeks of action due to sickness and did well to rally for fourth at odds of 5-1. She can benefit from getting back on a regular rotation and was victorious at the level above this on October 11th when she tripped the beam in 1:51.2. This daughter of All Bets Off only gets to race in this class because she will carry the optional price tag of \$50,000 and has hit the board in 16 of her 23 attempts as a sophomore. She will have Doug McNair back between the wheels and might take some catching in the nightcap.

**#3 SHOOT THE WHISKEY** trailed throughout in NW14500L5 on November 2nd when finishing seventh at 45-1 and only managed to do one better the week prior in this class. She enjoyed a pair of heart-building victories at Flamboro Downs before that and will now have Tyler Borth at the helm for just the second time in her career. This 28-time winner might offer an inflated number on the board after her last two and can be more than competitive with this group with anything close to her best. She is worth a long look if the price is right.

**#7 GLENBORO** has been taking on tougher rivals in each of her last six and was only beaten by a head in NW14500L5 on November 2nd when she was entered for the optional price tag of \$70,000. She notched a victory in that class on October 5th and is just three starts removed from going up against the best pacing mares on the circuit in the Preferred. This 11-time winner will surely take significant support on the drop down in classification and will likely get forwardly placed from post-seven. She is an obvious contender but we will try for better value with the two above.

**#6 SORCHA SEELSTER** was third in NW3 in her latest and was just over a length away from a well-meant winner in Stonebridge Halo. She delivered at 95 cents to the dollar at this level on October 25th and has hit the board in four of her last five. This daughter of All Bets Off will have Bob McClure aboard for a follow-up steer and will have the luxury of leaving from post-six. She will likely make her presence felt at some point in the mile and should not be ignored.

**#4 LEE LOO** was one we were fond of as the 5/2 favorite last week but she had to settle for a minor award in fifth. She has finished in that position in each of her last two but was only beaten by a neck at this level on October 18th. This 15-time winner is capable of bouncing back with a better result but a lesser share might be her ceiling once again. She is worth utilizing on the bottom end of the trifecta and super.

## CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

CLAIMING RACES	ALLOWANCES		CONDITION RACES
	2 year olds	3 year olds	
4 year olds	100%	50%	50% on 2024 earnings 25% on 2024 earnings 50% on 2023 earnings
	25%		25% on 2023 earnings

## ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nv \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

## C.P.M.A. Regulation Changes

Effective January 1<sup>st</sup> 2012

CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

### Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1<sup>st</sup> leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

## EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses.

Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

**L** Denotes horses treated with Lasix.

**(L)** Denotes horses treated with Lasix today who were not so treated for their last start.

**(L)** Denotes horses treated with Lasix for their last start but not so treated today.

**RULES AND INFORMATION REGARDING CANADIAN HARNESS  
AND FOREIGN SEPARATE POOL EVENTS**

**GENERAL**

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: [cprawebacpm@agr.gc.ca](mailto:cprawebacpm@agr.gc.ca). A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

**ENTRIES AND MUTUEL FIELDS**

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

**DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)**

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

**EXACTA (Also known as Exactor)/TRIFECTA (Also known as Tractor)/SUPERFECTA**

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

**SWINGER (Also known as OMNI)**

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

**JACKPOT HI-5**

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1<sup>st</sup>, 3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup>, 6<sup>th</sup>.

That Jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

**PICK 3 & PICK-4 BETTING**

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

**PICK 5 BETTING**

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

**PICK 3, PICK 4 & PICK 5 SCRATCHES**

In the event a Pick 3, Pick 4 or Pick 5 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4 or Pick 5 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4 or Pick 5 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

**REFUNDS**

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

**COMMON POOL WAGERING (INTERTRACK BETTING)**

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

**FAIR START**

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

**LOST & OLD TICKETS**

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

**ASSOCIATION PERCENTAGE, AND TAXATION/LEVY**

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

**WOODBINE/MOHAWK LIVE:** Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.7%. Double & Exacta 17.2%. Jackpot Hi-5 & Pick 5: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 0.8% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: [cprawebacpm@agr.gc.ca](mailto:cprawebacpm@agr.gc.ca)
