Top 3 Selections ranks horses by the level of their overall past performance and by the estimated probability of repeating their most recent race. An asterisk (\*) next to the program number identifies the top pick. The **Speed** picks are based solely on recent Speed Ratings of each horse. The **Class** picks are the horses that have run the best against the highest quality of competition. The **Pace** rankings predict today's likely front runners based on first call Pace Ratings of each horse. 3 **STAR BEST BETS** offer the highest percentage plays available. A 3 **STAR BEST BET** may not be found on every day.
