Top 3 Selections ranks horses by the level of their overall past performance and by the estimated probability of repeating their most recent race. An asterisk (\*) next to the program number identifies the top pick. The Speed picks are based solely on recent Speed Ratings of each horse. The Class picks are the horses that have run the best against the highest quality of competition. The Pace rankings predict today's likely front runners based on first call Pace Ratings of each horse. 3 STAR BEST BETS offer the highest percentage plays available. A 3 STAR BEST BET may not be found on every day.
