SGive this gelding a good shot - ran a strong outing last out within a month. Shave to be worried that this runner added front wraps last race out. This jockey/trainer combo is not in sync right now - not a high win percent together.

The stretch display in the last affair leaves much to be desired. Plave to be leery with mounts trained by Tony Wilson right now - on a cold streak. Finished in the back half of the field last time - not a ringing endorsement.

This less than stellar equine didn't finish in the top half of the field last time out. Trainer has produced the greatest results in this group of contenders (7 starts, 57% wins) with recent claims. Tread lightly with this one - connections have been a bit cold when teaming up.
