Conditioner has had an awful time winning races these days. Hasn't scored a victory recently - not worth it on this equine today. Not in the top half of the field last time around the track.

Was out of the top half of the field last time out. Didn't show much fortitude during the stretch drive last time - be cautious with him. When Joel Dominguez and Juan Munoz Cano partner up - the return on investment has been terrific.

This trainer has produced strong gains with entrants moving up in class (32 starts, 25% wins, +43% ROI). Backed up in the homestretch last race out. Finished in the back of the pack last time - not a great endorsement.

SDum's for foots have been promable prime wagers within the recent past (13 starts, 40% wins, + 147% kOr). From 1 see thin as a sore tiling after that last race. From 1 support any tiline.

ৃত্বিতাgh to wager on this animal after the disappointing stretch drive in the last affair. ৡShane Wilson 's ROI with this horse (+54%) automatically make them a value contender. ৡThis gelding gets a boost with Jose Andres Guerrero in the saddle.

Didn't finish in the top half of the field last race - might have to expect more of the same. Sire's turf offspring have been sad (229 starts, 9% wins, -44% ROI). Recently, this rider and conditioner haven't been winning when they team up together.
