Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

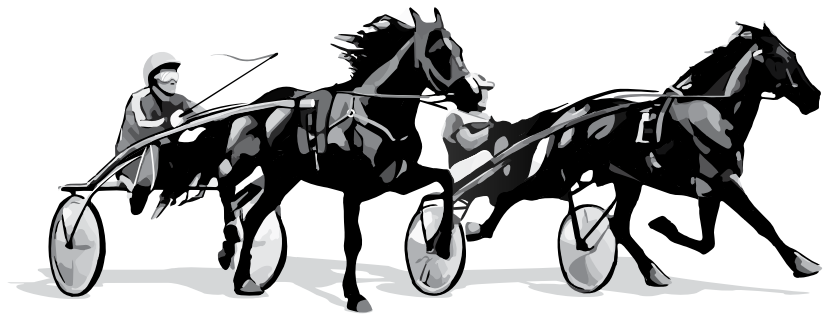

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- Horse's number in the race
- Horse's post position colour
- Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- Morning line odds
- Horse's name
- Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

- Trainer information
- Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

#7 SEACLUSION N had missed close to three weeks between starts when she lined up behind the gate last week, and she was also in against tougher than she meets tonight in that field. She didn't get any part of that purse, but that was probably a race she needed, and she dropped \$8,500 off her last four which allows her to drop to the non-winners of \$6,000 last four class un this spot tonight. The last time she raced this low was five starts back, and she got an aggressive steer to win as the 1 to 5 favorite that night and take a new lifetime mark of 1:50 3/5. She fits much better at this level, and she should be sharper tonight coming back in seven days. She gets top billing to kick off tonight's \$75,000 guaranteed Pick 5.

#2 SHES A STREAKER has a similar profile as Seaclusion N in that she hasn't made much money in her last four starts, but she was an impressive winner five starts back on a night where she flew past the leaders late and zoomed to a new lifetime mark of 1:49 1/5. Like the top pick here, she gets needed class relief. It seems as though Seaclusion is the handier of the two mares, so this one will need to keep that rival in her sights. Still, it should surprise no one if she comes barrelling past the leaders in deep stretch to take her third win of the season.

#1 MACAPELO SEELSTER dropped and popped last week in a spot where she seemed to fit well, and she paid an overlaid price of 5 to 1. She was only two-fifths of a second off her lifetime best on that night, and she was an easy winner, but she steps back up and faces some imposing class droppers tonight. She will be under the gun early starting from the rail. I prefer to use her underneath this time.

#5 RAPTORS WON took a needed class drop last night and most handicappers probably expected her to improve, but she was wildly over bet considering that she closed as a 1 to 5 favorite. It's hard to draw the conclusion tat she raced poorly when you consider that she paced her final quarter in 26 2/5, but she was out of position, and she just couldn't get close to Macapelo Seelster. She can be closer early in this mile starting from the middle of the gate, but like the other class riser that won that race, I prefer to use her underneath.

Race 2 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 DAYA didn't have much luck racing against A Clean Deal in restricted races leading up to their meeting here in Gold Leg 4 on August 15th as she had yet to finish ahead of her when they had gone head-to-head in those events. She did, however, finish ahead of her in both the elimination and final of the Fan Hanover Stakes, although it seemed that she got a better trip in both of those miles. The two then met up sans Loua Dipa in Gold Leg 2, and once again, A Clean Deal came out on top. Same again in Gold Leg 3, then this filly broke through here on August 15th in Gold Leg 4 when she paced home in 25 4/5 to get the best of her archrival. Her trainer reported on social media this last Saturday that she broke the filly Track Record at Classy Lane Training Centre by pacing a 1:52-flat training mile. This sophomore is the highest earning offspring of Bulldog Hanover, and she should take beating here with A Clean Deal entered in race 3 against some older mares.

#3 EASY STATION was on a good roll racing here before she ventured to Kentucky She took five wins, two seconds and a third in her first nine starts here at Mohawk Park, the only blemish coming in the Grade 1 Fan Hanover Stakes where she finished sixth. She was in a bit too tough in her two Kentucky Sires Stakes starts which were two very fast miles. She adds Lasix tonight, and she appears to be the one that might be able to knock off Daya if everything goes right for her.

#2 JEN TILLY improved in her last two starts where she was right there on the wire in both miles. She is in tougher now, but she figures to get another good trip racing close to the front here. I could see her racing close to the front again and sticking around to land in the bottom of the Tri or Super.

#4 CACKLEBERRY gets needed post relief tonight after drawing wide in two straight starts and getting hung out a long way in both miles. She figures to get a much better trip here, but she will probably find the top two picks in here to be too tough. She is one to consider for the bottom of the exotics.

#1 ULTIMATE DESBIN was racing pretty well prior to last week's mile where she came up against several tough invaders including a Grade 1 Kiwi mare that won and lowered her lifetime mark to 1:48 1/5. She is a lot better than she showed in that mile where she was close to three seconds slower than her typical speed. She gets needed class relief here facing only local conditioned mares and a stellar sophomore OSS Gold filly. I'll look for her to rebound in this spot, and I'll give her the nod to start up tonight's early Pick 4.

#4 A CLEAN DEAL has been the boss of the provincial sires stakes program at two and three, winning every start except two when she was competing in races restricted to Ontario bred fillies. She came into her Fan Hanover elimination five starts back with a record of nine wins in 10 starts then she ran into superstar sophomore pacing filly Loua Dipa for two straight miles. She fought the good fight in her elimination, but she was no match, then she had the misfortune of drawing the dreaded 10-hole in the final and she couldn't do much racing from the back in a Canadian Record mile of 1:48 1/5. 13 days later, she got back in against Ontario bred fillies, and she had no problem getting back on track, taking over the lead before the half and leading all the way from there to take Gold Leg 2. She took a month off then lowered her lifetime mark to 1:49 3/5 in Gold Leg 3. She was scratched on August 7th then eight nights later, she got picked off right on the wire by Daya. It's interesting that she is in this race and not the Simcoe in Race 2. Perhaps she wasn't kept eligible. She needs this race to stay sharp, I just wonder how aggressive she will get raced with more OSS Gold action to come for her this fall.

#2 MADRID A keeps racing tough most weeks and she comes off a game first-over effort where she took her third sub-1:50 win in less than a month. She could get a good trip racing on or near the front tonight, and she is in with a chance of scoring the upset.

#3 ALWAYS DAWN takes a big class jump tonight, but she looked good flying past the leaders last week. She is razor-sharp, and although she faces much tougher fillies and mares in here, she might be able to pass enough of them to get a slice.

Race 4 Selections

The Horseplayer's Journal by Garnet Barnsdale

#2 PERFECTLY CHIC turned a corner three starts back when she drew the best post and got an aggressive Bob McClure steer to take her first win of the season in her twelfth start. She stepped up in class on August 22nd, and she did well to close for fourth behind some Open level mares. She had little chance in her last start where she raced the entire mile with a broken overcheck. She drops one level tonight, and this looks like a good spot for her. She gets top billing in the opening leg of tonight's 20-cent Pick 6.

#5 WISE PROFESSOR is an interesting shipper from Pennsylvania who races with a \$75,000 claiming tag in here. The form that she brings north would make her a contender in here if she can maintain it in this first race over Mohawk Park. The main issue is her stale date considering that she hasn't raced in four weeks. It's your call, but I wouldn't take a short price here.

#9 SUNSHINE MAGIC got needed class relief and Travis Cullen back in the bike two starts back, and she got bet like she couldn't lose, getting hammered down to 1 to 9. She got the aggressive steer that bettors expected, but she was no match for aggressive first-over challenger Madrid N. She got back in the same class six nights later, and she got another aggressive steer, and this time she converted at a better price, and she took a new lifetime mark. She steps up and loses post position advantage tonight. A small share is likely her ceiling.

#7 BETTERDOUBLEDOWN missed three weeks between starts when she lined up behind the gate two starts back, and she did okay to get the smallest cheque. That was a big improvement on her previous start at Grand River where she was beaten close to 30 lengths. Last week, she got class relief, a good post, and Doug McNair in the bike and she raced much better to finish second behind Sunshine Magic. She draws inside that rival tonight and I could see her taking a slice despite the class rise.

#6 VERILY has made only one mistake in her first five starts, and that was in her second start when she broke stride when she was challenging racing first-over in a Gold race. She has been very good since then, winning a Gold leg then racing well in both her elimination and final of the Grade 1 Peaceful Way. In the final, she was smartly driven, staying covered up along the inside to the top of the stretch where she angled to the far outside. She was moving best of the rest at the wire, and she finished a clear second in that Grand Circuit race. She has ramped up her late speed and she figures to be tough to fend off tonight in Gold Leg 4.

#2 QUEEN OF BS, like top pick Verily, has made only one mistake in her young career, and unfortunately for her, it came in her Peaceful Way elimination in her last start where not much went right for her after she started from post 10 and broke while trying to make a late move from the back. She has already proven that she fits at the Gold level by taking a win and finishing second twice. Moving from the 10 hole to an inside post gives her a better chance to use her good tactical speed to get positioned near the front early in the mile, and she is another one to consider for use on early multi-race tickets.

#8 REBEL MOON entered her Peaceful Way elimination on a roll having won three straight and four of five, but things didn't go her way in that Grand Circuit elimination. She fell victim to pace and trip, racing first-over in a 28-flat third quarter, and she backed up late. She should be able to rebound tonight and get at least a share in this Gold leg.

#3 MAJOR CONTENDER looked so good breaking her maiden in Gold Leg 2 that it's a bit hard to believe that she is still sitting on one win after six starts. Two of those starts came in the Peaceful Way elimination and final, and she did well to make the final, then she drew post 10 and the best she could do was take home a fifth-place cheque. She could better this prediction if she works out a decent trip.

#3 STORYBOOK LOVE had a storybook ending to her rookie season last year when she pulled off a win in the Grade 1 \$959,000 Breeders Crown on her home soil. She hasn't been brilliant in her sophomore campaign, but she hasn't been terrible, either. She was used aggressively in her last start at Yonkers, and she unfortunately blew up in the stretch when she was still on the lead. She lands in a good spot here in this Grand Circuit race, and she has a big chance to take her first win of 2026 if she can stay flat. She gets top billing in this opening leg of tonight's middle Pick 5.

#2 BARBARA MAY came out of a fast OSS Gold race five starts back where she finished third behind the two big favorites, and she was bet heavily getting in against non-winners of two. Starting from the middle of the gate, she was moved to the front in the second quarter, and she left no doubt from there, powering her way to her first win of the season while lowering her lifetime mark. She wasn't as good on July 27th when bet down to the 4 to 5 favorite, but that front end effort kept her sharp for the Grassroots Leg on August 9th. She was bet down to 4 to 5 that night and she turned for home with a few lengths to make up on the leader. She unleashed a wicked 27 2/5 brush to win going away. Last week she looked a bit short coming in off an 18 day break and she couldn't hold the lead after getting a reasonable first half. She should be sharper tonight, and her best race makes her a contender.

#7 DELIGHTFUL YANKEE is a \$325,000 Lexington Sale buy that won her first two starts here in the spring then went on a nine race winless streak in the summer. She tried the Kentucky Sires Stakes for two starts and broke stride in both of those miles. Those were the only two times she broke in 13 starts, so perhaps that was down to the racetrack. She comes into this race on a nice two race win streak at Grand River, but she would have to be several seconds faster to contend for the win. It seems more likely that she will take a smaller share on the class rise.

#5 BINGO NIGHT had a couple of really good miles in OSS Gold races earlier this season when she traded decisions with Blue Jean Gal and she lowered her lifetime best mark to 1:52 1/5. She hasn't been great recently though, so it's hard to predict which Bingo Night will show up tonight. She can be right there with these if she finds her best form though.

Race 7 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 DETONATER HANOVER is a \$80,000 Harrisburg Sale purchase by top Ontario trotting sire Muscle Mass. This colt looked good winning his lone qualifier on June 12th, making a second quarter move to the front and winning easily although he did run before the wire. He was bet a bit on debut, going off at 9 to 2, and he raced well in that OSS Gold event. He looked like he was going to be the winner until Unstable Genius hit his best stride. That was a nice debut, and he raced well again in his second start, and he might have won if a rival didn't break right in front of him on the last turn, forcing him a couple of lanes wider than he wanted to be. That ground loss might have been the difference considering he was only beaten three quarters of a length. He was a very impressive winner of his elimination of the Grade 3 Millard Farms stake and followed it up with a workmanlike win in the final. He then trotted the fastest winning mile of any in this field in his Wellwood Memorial elimination. He couldn't fend off some sharp colts in the final, now he moves from the Grand Circuit back to a restricted race for Ontario bred where he should be the boss.

#1 THREE SIX ZERO has had a great rookie year so far, taking three wins and three seconds from seven starts, his only misstep coming where he broke stride in the first quarter of his third start when he was racing in the pocket. He wasn't far behind Detonater Hanover in the Millard Farms Final, and he is the one that would be most likely to upset that rival in here.

#4 GREAT WHITE NORTH has been good racing at the Grassroots level and after finishing second in all of his first four starts, he broke through here on August 13th as the 1 to 5 favorite. He doubled up with a nice closing rush 10 nights later, and now he tries Gold company. He might find one or both of the top two picks a bit tough in here, but he should be in the exotics mix.

#5 D A JOHNNY CASH has shown that he can be very fast when he minds his manners and stays trotting. He can flash speed here from the middle of the gate if he behaves, and he can stick around for a share.

The Horseplayer's Journal by Garnet Barnsdale

#7 COLD CREEK CALI started off her sophomore season with three strong efforts racing at Grand River Raceway, culminating with a lifetime best 1:52-flat score on August 17th when she toughed it out racing first-over and outsprinted pocket sitter Lainey Blu who she meets here again tonight. She tried her luck here at Mohawk Park for the first time this season in Grassroots Leg 4 in her last start and she had the misfortune of racing with a broken buxton and she was pulled up. She gets another chance here in a spot where she appears to fit well and she gets top billing in this opening leg of tonight's late Pick 5.

#1 MOLLYS ON FIRE comes into this race living up to her name as she boasts a four-race win streak. During that streak, she has shown that she can win with just about every trip imaginable. That versatility will come in handy here with her starting from the tricky rail post. She is another one that I would give a close look to for use in the late Pick 5.

#2 PLAY DATE is 1 for 14 this season and 2 for 19 overall, but her recent efforts suggest that she isn't far away from taking that third win. She tried to blow the race open in the third quarter two starts back, and she was caught late by two rivals. Then in her last start she passed some rivals late in a race where there was a two horse breakaway, so she couldn't do much better than she did. I like that she paced in 1:52 and change in both of those miles. That kind of speed has her in with a chance tonight.

#8 ALWAYS BE EMMA was going great until she started having gait issues two starts back. She is capable versus these when she is at her best, but she needs a clean line here so she will likely get a conservative steer. I could see her closing for a share if she stays pacing.

Race 9 Selections

The Horseplayer's Journal by Garnet Barnsdale

#7 FLAWLESS LADY started her career in Gold races and she raced decently in the first one to finish fourth, then she broke stride in the next one. She dropped into a maiden race and was bet down to 8 to 5 favorite, and she dropped to the back early then closed late. She was too far back to challenge for the win, but she did trot a 27 3/5 final quarter. That was enough for her connections to try another Gold race, but she broke at the start and lost all chance. With her trainer/driver Paul Macdonell retiring recently, this filly moved into the Julie Walker barn last week and got leading driver James Macdonald in the bike. She was predictably hammered at the windows, and she trotted off the screen to break her maiden. She is surging now, and she might be able to double up and take her first Gold win here. She gets the nod to start up the late Pick 4.

#2 JYN ERSO last week came out of the same race as the top choice and she trotted a 1:54 3/5 mile that was the fastest in that race's program page by close to two seconds. She had raced in Gold races in three of her four starts and in her lone mile versus maidens, she led to the stretch. The winner of that mile that night was a filly that came back and won an elimination for the Peaceful Way stakes, closing from ninth at the half. All that added up to nothing because she lost all chance last week when she blew a tire past the quarter and she got pulled up. She can be a threat tonight if things go normally this time.

#5 TREASURE KING is one of the better fillies in here being that she has won a Gold and finished second in a Grand Circuit race. She got a soft opening half on the lead in her last start in an elimination of the Peaceful Way, but following a 28 flat third quarter, she tired. This is an easier spot, and she has a better chance in here.

#1 TWIN B KINGSLEY is 2 for 5 and she was right there leading in her only Gold try three starts back when she blew up in the stretch. She comes in off a useful qualifier where she motored home in 28-flat. She should be good for a share in this spot.

Race 10 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 CHER HILL can be enigmatic because of her gait issues, but she also showed in her last start on August 15th that she can be spectacular when she minds her manners. On that night, she left for position and popped out of the pocket on the final turn, then she trotted away from Blue Jean Gal which is no easy feat. She lowered her lifetime mark to 1:52 4/5, and if she can repeat that effort tonight, her rivals very well might be all racing for second.

#5 BLUE JEAN GAL came off a stellar rookie season, and she got class tested in her first mile of 2026, starting against some Gold winners and she passed that test with flying colors. She won the slower of the two eliminations of the SBOA Stake, then she came back eight days later and endured the toughest trip in the mile and drew off late for her eighth straight win. In the opening leg of the Ontario Sires Stakes Gold division, she lowered her lifetime best mark to 1:54 2/5. From there, she tried a Grand Circuit race where not much went right. She was a slight second choice at 95 cents on the dollar in Gold Leg 2, and she was no match for Bingo Night. She turned the tables big time in Gold Leg 3 where she set an all time Ontario Sires Stakes record. She was then no match for Cher Hill, but it seems foolish at this point to count this filly out.

#6 A SPLASH OF GREEN is a filly that didn't hit the board in her first five starts this season, then she took a couple of months off, and she really turned her year around when she returned on August 3rd. Since then, she has raced five times and finished first or second in every one of those miles. She gets class tested here, but she draws best and she should be able to take a share.

#1 TWIN B SHOWBIZ is another Grassroots type trying a Gold race tonight, and she is another one that is worth a look for the bottom of the exotics because she typically passes horses in the back half of her miles. I could see her working her way into the Tri or Super.

Race 11 Selections

The Horseplayer's Journal by Garnet Barnsdale

#7 JAY turned her form around here three starts back when she dropped to tonight's non-winners of two class. On that night, she was pointed to the front by pilot Mark Macdonald, and she just kept improving her position on the engine, finally bottoming the field out for a five-and-a-half length win in 1:50 1/5 which represented a new lifetime mark for this daughter of Cattlewash. Since then, she was simply in too tough. Dropping back down, she will almost surely get put into play leaving the gate, and if she clears to the front, she could be gone.

#3 ARTISTIC DELIGHT was a closing second to Jay in that 1:50 1/5 mile on August 7th and since then, she took a check in a Gold race, and she was a good second in a fast mile last week when she rallied after starting from post 10. She gets a better post tonight than she had on August 7th, and she is obviously sharp. If she can keep Jay in her sights tonight, she might be able to turn the tales.

#1 TAINTED LOVE comes off a strong closing effort to get third in a good Grassroots field so on paper, she is a good fit in here. I don't love the rail post for her in here, though because she will likely get outsprinted by a few of these at the start and she could end up getting too far back. I'll use her underneath in this spot.

#6 ANNIES DIVA was making a wide move on the far turn on August 7th when she got held up briefly due to that jackpot of interference affecting several horses at the top of the stretch. She came on to eventually assume the lead in deep stretch before getting passed by a well regarded rival that was deemed to have caused the interference. She ended up finishing third placed up to second and that was a solid effort in defeat. She raced well again in defeat in her next start, then two weeks ago she put it all together, making two moves to win and take a new lifetime mark. She faces considerably tougher stepping up to non-winners of two here, and I'll use her underneath.

Race 12 Selections

The Horseplayer's Journal by Garnet Barnsdale

#7 DIXIE DREAM won impressively here five starts back when she was racing at tonight's class level. On that night, she left well from post six and she was sent first up in the third quarter. She showed gameness in the lane fending off challengers from all sides and she prevailed to take her second win of the season. Since then, she has wither been in too tough or drew post 10. Tonight, she gets a better post and lands in what looks like a good spot. Expecting that she will get an aggressive steer in this spot, I'll give her top billing.

#5 SUPERIOR DELIGHT had a tremendous season last year where she took 14 wins and 17 slices from 36 starts and she did most of her damage racing in \$20,000 claimers. She has done okay again this season, going 2-2-3 from nine starts. She was claimed by Jamie Copley out of a race here in April, and she got sidelined due to sickness. She qualified well for her return on August 22nd, but it turned out that she needed that first start back. She was much better six nights later when she chased a fast winner. She knows how to find the winner's circle, and now that she is sharp, she can be a threat tonight starting from one of the best posts.

#6 PRETTY MISSY MAY was claimed out of a 1:50 3/5 lifetime best winning mile, then she went the other way in her next two starts culminating in a mile where she was distanced here on July 25th. She requalified okay, then she raced better on August 16th where she raced first-over against favored Charmbo Stormy and was only caught late for second. She wasn't as good last time but starting from the best post here she can get a good trip racing close to the front and stick around for a share.

#4 ONE LAST BET raced better last time where she left for position from the best post then followed along and took a share. I could see her getting a similar trip tonight and landing in the Tri or Super.

#3 PIPERS LUNA has been part of the Super in three of her past four starts, and she is another mare that will probably look for a following trip that is worth a look for the bottom of the exotics.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	ALLOWANCES CLAIMING RACES	CONDITION RACES
2 year olds	100%	50% on 2026 earnings
3 year olds	50%	25% on 2026 earnings 50% on 2025 earnings
4 year olds	25%	25% on 2025 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race.
ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012
CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

WOODBINE/MOHAWK LIVE: Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.7%. Double & Exakta 17.2%. Jackpot Hi-5, Pick 5 & Pick 6: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 1% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
